2024 SEASON REGISTRATIONS

Bayside United FC to thrilled to announce the 2024 Winter Season Registrations are now open!

REGISTRATION PROCESS:

Registration is now a mandatory two step process - see below for a walkthrough. The process is the same whether you are registering for a high performance squad or just registering your children in a community team.

STEP 1: REGISTER IN BAYSIDE UNITED FC KICK HUB (ALL PLAYERS)

Register with Bayside United FC using the **REGISTER NOW** button on the club website [BAYSIDE UNITED FC CLUB](#) (Kick Hub), providing all requested information.

Registrations can be processed for one or more family members in the one transaction. Once all family members registrations are complete you will receive a detailed invoice for payment. The amount due can be paid:

- In full (at the time of registration)
- Using our newly introduced payment plan service

Note: To setup a payment plan, you will be asked to pay a 10% deposit at the time of registration. All fees must be settled by no later than 28 March 2024.

To ensure all players are appropriately insured, Bayside United FC must mandate a no pay, no play policy.

At the end of the registration process via Kick Hub there is a direct link to Squadi to complete Step 2.

STEP 2: REGISTER IN PLAY FOOTBALL / SQUADI (MINIROO (U9-U12), JUNIORS (U13-U18) & SENIORS PLAYERS ONLY)

Registration with Squadi is via this link <https://registration.squadi.com/> or the Squadi App. This registration is required for all MiniRoo (U9-U12), Juniors (U13-U18) & Seniors only.

When completing the registration in the Squadi you will be required to pay the affiliation fees. These affiliation fees are a mandatory requirement by the governing bodies which also include player insurance for the season for players in an approved FQ competition.

When registering in Play Football you will be required to upload a passport style photo, standing front on head and shoulders, less than 5MB and taken within the last 12 months.

Squadi can be challenging to navigate, so we compiled a guide in Attachment 1 which we hope you will find helpful.

FREQUENTLY ASKED QUESTIONS

Bayside United FC is thrilled to have a new integrated player system for the 2024 season and beyond. We are ourselves getting up to speed with how everything works, and no doubt we will all hit the odd IT snag now and again.

To assist making the registration process as accessible as possible we have collated a few frequently asked questions. If your question is not on this list, please email our very helpful Registrar for assistance (registrar@baysideunited.com.au)

Who has to register?

You have to be 18 years old to complete a registration. If a player is not yet 18 years old, their parent or guardian will need to register them.

Where do I register first, Squadi or Bayside United FC?

Register via the REGISTER NOW button on our webpage. This registration will take you straight to our Bayside United FC integrated player platform. Players registering in the MiniRoos U9-U12, Juniors & Seniors competitions will be required to complete a further registration with Squadi. We will let you know when Squadi is open for 2024 registrations.

How do I play with my friends?

Please discuss your registration with friends and come up with a team name. When registering please request all players reference your team name in the 'Team Name' field. If you do not have a team, our club administrators will do their best to place you with friends from the same school.

What day is training?

Training days are organised through your coach and managers. Days and times should be discussed as a group to best accommodate all players. Generally training will be held once weekly, however this is at the discretion of the coach.

Academy teams training days are set by Bayside United FC Technical Director, and normally held on Tuesday and Thursday.

How much are the fees?

Our fees can be found on page 2 of this document.

To ensure all players are appropriately insured, Bayside United FC is required to mandate a strict 'no pay, no play' policy. Players must have either paid in full by 28 March 2023 to commence playing at the start of season.

Can I pay in instalments?

Yes, we are pleased to be able to offer a payment plan for the upcoming season. A 10% deposit will be requested at the time of setting up the payment plan and you have the flexibility to select the frequency of payment withdrawals. Full settlement of fees is required by 28 March 2024.

What age group do I register for/Can my child play in a different age group?

You register in the age group equivalent to the age you will turn in that year. E.g. if your child is turning 9 in 2024, you will be playing in the U9 competition. Our system includes reference to birth year in the Playing Group menu options.

Players who register outside of their playing group may require Bayside United FC to obtain dispensation from Football Queensland. If registering outside your normal age group, please email registrar@baysideunited.com.au and provide further information on your child's registration and our Registrar will arrange dispensation if required.

Can I Coach or Manager my child's team?

We are a community club, which is reflected in our fees. To keep our fees as low as possible, we rely on parents to step forward to be the Coach or Manager of our teams. We do not provide Coaches and Managers for our teams. As a token of thanks, we are pleased to offer our coaches and managers a club discount which can be applied to player registration fees or merchandise.

Can I nominate to volunteer next season?

Yes, at the time of registration you can express interest in volunteering. If you have a preference in how you would like to help our club, you can let us know at the time of registering.

Our Committee and wonderful volunteers have worked tirelessly over the years to create a community club that is about friends, family and football.

As we move into our 50th year we will be trialing some new ways to make it easier for more people to get involved, so that you can also be part of our growing community - in your time, in your way. As part of this, we are very excited to launch The Bayside United Grass Boots Team. More exciting details to come on this... stay tuned!

How do I know if my registration was successful?

You will receive a confirmation email/invoice if your registration is successful. Please check your Spam if you did not get an email. If you do not believe you have received an email, please email registrar@baysideunited.com.au and we will follow up for you.

I have registered, what happens next?

Our club administrators will allocate you / your child to a team. We will firstly allocate teams by team preferences where possible. If no team preference is noted on your registration, we will try to allocate players from the same school so children are comfortable with familiar faces.

Once teams are allocated, we will be in touch and discuss the next steps.
