Players in inter-club competitions only (MiniRoo (U9-U12), Juniors (U13-U18), Metro & Seniors/U23 only) are required to register with Football Queensland (FQ) & Football Australia (FA)..

When completing the registration in the Squadi and LetsPlayFootball you will be required to pay the respective affiliation fees. These affiliation fees are a mandatory requirement by the governing bodies which also include player insurance for the season for players in an approved FQ competition.

FREQUENTLY ASKED QUESTIONS – REGISTERING A PLAYER

Why will team numbers be capped?

As much as we'd love to register unlimited teams we are restricted to the amount of teams we can fit on our fields to train and play. We recommend registering as soon as possible to avoid disappointment.

What age group do I register for/can my child play in a different age group?

You register in the age group equivalent to the age you will turn in that year. E.g. if your child is turning 9 in 2025, you will be playing in the U9 competition. Our system includes reference to birth year in the Playing Group menu options.

Players who register outside of their playing group may require Bayside United FC to obtain dispensation from Football Queensland. If registering outside your normal age group, please email registrar@baysideunited.com.au and provide further information on your child's registration and our Registrar will discuss eligibility for dispensation if required.

Who has to register?

You have to be 18 years old to complete a registration. If a player is not yet 18 years old, their parent or guardian will need to register them.

Where do I register first? Bayside United FC or Squadi?

Register via the **REGISTER NOW** button on our webpage. This registration will take you straight to our Bayside United FC registration system. Players registering in the MiniRoos U9-U12, Juniors & Seniors competitions will be required to complete a further registration with Football Queensland and Football Australia. We will let you know when their systems (Squadi/ LetsPlayFootball) are open for 2024 registrations.

What if I don't know my team for next year?

This is completely fine! Please register from 12/11/2024 and we will place you in a team.

How do I play with my friends?

Please discuss your registration with friends and come up with a team name. When registering please request all players reference your team name in the 'Team Name' field. If you do not have a team, our club administrators will do their best to place you with friends from the same school.

How do I know if my registration was successful?

You will receive a confirmation email/invoice if your registration is successful. Please check your spam/junk folder if you did not receive an email. If you do not believe you have received an email, please email registrar@baysideunited.com.au and we will follow up for you.

I have registered, what happens next?

Our club administrators will allocate you / your child to a team. We will firstly allocate teams by team preferences where possible. If no team preference is noted on your registration, we will try to allocate players from the same school so children are comfortable with familiar faces.

Once teams are allocated, we will be in touch and discuss the next steps.

FREQUENTLY ASKED QUESTIONS – COACHING, TEAM MANAGEMENT, VOLUNTEERING AND TRAINING

When does the season start?

Refer to our 'YEAR AT A GLANCE' snapshot provided on our homepage: [BAYSIDE UNITED FC CLUB](https://baysideunited.com.au)

What day is training?

Training days are organised through your coach and managers. Days and times should be discussed as a group to best accommodate all players. Training will be held once weekly, however for teams aged U13 and above this is at the discretion of the coach and availability of training fields.

BUDS teams training days are set by Bayside United FC Coaching Director, and normally held on Tuesday and Thursday.

Can I Coach or Manager my child's team?

We are a community club, which is reflected in our fees. To keep our fees as low as possible, we rely on parents to step forward to be the Coach or Manager of our teams. We do not provide Coaches and Managers for our teams (except for BUDS).

As a token of thanks, we are pleased to offer our coaches and managers a club discount which will be credited at the start of term 3 and applied to 2026 player registration fees or merchandise.

Can I nominate to volunteer next season?

Yes! Our club is run 100% by volunteers, including a volunteer committee. At the time of registration we encourage you to express interest in volunteering. If you have a preference in how you would like to help our club, you can let us know at the time of registering.

When can jerseys and training kits be collected?

Your Team Manager or Coach will be informed when jerseys are ready for collection. Generally collection is one week prior to season start for your respective age group.
